

Heavy Duty Engine Degreaser TDS

Product Description : 7CF® Engine Degreaser is specially formulated to remove grease and oil from engines for cooler more efficient running.

Features & Benefits:

- Removes tough grease & grime
- Spray on & rinse off
- Leave no residue

Applications :

- Automobiles
- Boats
- Construction applications
- Engines
- Metal parts
- Machinery

Unit Package Description: 15 OZ. FOAM

Brand : 7CF

Appearance: Aerosol

Odor: Characteristic

Film Type: None

Flash Point: -97°C

Boiling Point: -44°C

Solubility (water): Not soluble

Percent Volatile: Not available

Propellant: Hydrocarbon

Specific Gravity: Not available

Vapor density: 4.5 (air =1)

Film thickness: 0

Insulation Strength: 0

Rust Resistance: 0
